

## Trailer Race Rules

### General

1. Safety is #1.
2. All personnel in Pits (Drivers, Pit Crew, Others) must sign waiver
3. Full face helmet and long sleeve shirts & pants required- no open toes shoes allowed!
4. Shoulder and lap belts are required; racing harness is recommended
5. Air bags must be removed
6. No Alcohol allowed!
7. Depending on number of entries- one race or multiple races may be run.
8. Must be 18 years of age.

### Tow Vehicles

1. Any legal vehicles may be used. No Semis! No operational 4-wheel drive vehicle. (If using a 4 x 4 you must remove front or rear drive shaft so 4 x4 cannot work.) If tow vehicle is deemed inappropriate or unsafe to be on track, vehicle will not run!
2. All glass must be removed except front windshield is optional.
3. Driver's protection: you may use two drivers' protection bars. You may use 1" x 3" flat steel or maximum 2" diameter round or square tubing mount on the outside of the vehicle and not extending more than 12" past door seams. Driver's door must be chained or welded shut.
4. All exterior lights must be removed
5. All tow vehicles must have working brakes.
6. No dual wheeled vehicles allowed.
7. No chains on tired/no solid filled tires. Must be DOT highway tires.
8. No added weight on tow vehicles.
9. Tow vehicles must have a number painted on roof of tow vehicle not less than 24". This helps in scoring race.
10. Tow vehicle- no passengers and no changing of drivers allowed.
- 11. All unsecured items need to be removed from tow vehicle.**

### Trailers

1. Tires must be on outside of frame rail. They cannot have any kind of protection around them.
2. A minimum of 4 ft wide. Measured from outside of frame rail.
3. A minimum of 4 ft long. Measured from center of ball to back edge of frame rail.
4. Trailers to be used: campers, pop-ups, boats and all other trailers must be approved by judges/officials.
5. All holding tanks from campers must be drained
6. Campers and popups must have all LP tanks and any loose material inside removed.
7. Trailers must be carrying an object (example boat or camper). Trash on trailer is not allowed! Objects must be approved by judges/officials. Objects must be secured to trailer.
8. Boats must have motors removed and boats must be attached to trailer.
9. Hitches: Ball type or hitch pin type. No gooseneck trailers, or pinnal hitches. Tongue of trailers cannot be made to spin around.

### Race Rules

1. Object of Race: Finish race with your trailer while separating the trailer of your competitors from their tow vehicle. If you lose your trailer during the race you will be DQ'd and must move to the infield.
2. No tow vehicle to tow vehicle hits. Must only hit trailers. Vehicle to vehicle hits will be DQ'd.
3. First vehicle to finish race with eligible trailer or last vehicle with eligible trailer attached wins.
4. All decisions by judges/officials are final.
5. Nicest looking trailer contest. Winner will start on the pole.
